

He has a portfolio in the stock market and he has not paid zakaah on it for
two years

I have had a portfolio in the stock market for nearly two years, and I did not know that I had to pay zakaah. What should I do and how should I pay zakaah?.

Praise be to Allaah.

Firstly:

In the answer to question no.

[69912](#) there is a detailed

discussion on paying zakaah on shares. Please read it to find out whether you have to pay zakaah on these shares or not.

Secondly:

If you have to pay zakaah and those who are in charge of the shares are paying the zakaah on the shares, then you do not have to pay it again.

If they are not paying it, then you have to pay it for the past years.

See the answer to question no.
